CLEAR SPACE. BOUNDLESS EXPERIENCE - www.anray.co.za

DESIGNED AROUND THE VIEW

Experience every season

SkyScape Pods create a fully transparent, immersive setting while helping guests stay comfortable and protected from the elements. Use them as intimate dining rooms, memorable accommodation or a refined extension of an outdoor space.

IMMERSIVE

Clear panoramic enclosure that keeps the landscape at the centre of the experience.

VENTILATED

Built-in extractor fan plus aluminium-framed doors and windows with insect screens.

SECURE

Supplied with a mechanical door lock for simple, dependable access control.

ALL-SEASON

Retains warmth in winter and on cold, windy days; air-conditioning can be installed for summer comfort.

ATMOSPHERIC

Integrated LED lighting inside and outside, with a choice of curtain colours.

QUIET

Strong sound insulation supports private, relaxing dining and accommodation settings.

BUILT FOR CONFIDENCE
